

LA RANDONNÉE

OUR STORY

Striving for the perfect blend between earth, art and science, Kevin and his wife Clodagh began their wine label La Randonnée with the 2014 vintage. Working only with fruit from sustainably-certified vineyards and using natural winemaking techniques, they produce elegant and authentic wines of intention.

La Randonnée is French for a walk or trek, but genuinely comes from Kevin's life path. An independent series of decisions throughout his life have led to an adventurous journey full of new creative opportunities. Kevin & Clodagh invite you to join them on their Randonnée as a member of the Cairn Club!

THE CAIRN CLUB
